## METHOD:

1. 1.  
For each flavour, separate the SKITTLES into small saucepans and cover with 140ML of water and simmer on very low heat for 3 minutes or until the SKITTLES have dissolved.
2. 2.  
Bloom gelatine in iced water and cut into 5 equal pieces.
3. 3.  
Add a piece of gelatine to each pan and stir until dissolved.
4. 4.  
Pass the liquids through fine cloth to remove any impurities.
5. 5.  
Freeze each flavour into small spherical ice cube tray and freeze overnight.
6. 6.  
Melt together the cocoa butter and white chocolate, allow to cool slightly and colour appropriately.
7. 7.  
Using a small pin to dip the frozen spheres into the matching colour, and allow them to set on greaseproof paper.
8. 8.  
Separating the flavours, store some at different temperatures: fridge, freezer, room temperature, slightly defrosted, and when ready to serve, build together in a bowl.

## NUTRITION:

Less than 250 calories per serving
